

DWL BIRTHDAY PARTY POLICIES

- You must inquire about a party a minimum of 3 weeks prior to your earliest preferred party date. Inquiring about a party does not guarantee availability.
- You must authorize Dance Without Limits to charge your Credit Card for any agreed upon purchases and payment information will be saved on file until all charges have been processed.
- A non-refundable \$50 deposit is due within 24 hours of receiving email confirmation via our office staff after the completion of our birthday party booking form.
- The remaining party balance (total balance minus the deposit) must be paid no later than 6:00pm on the Thursday before the party.
- All children participating in the party must submit a completed waiver, signed by a parent/guardian, prior to the start of the party. This digital waiver will be emailed to the responsible party at least one week prior to the party date. It is the responsibility of the booking family to distribute the waiver to invitees. The waiver may also be completed in-studio the day of the party.
- Families will have a max of 30 minutes prior to the party start-time to set up in the studio space.
- Families will have a 15 minute grace period after the party end-time to breakdown and clear out of the space. If all guests are not cleared out of the space by 15 minutes after the party, a \$25 fee will be charged to the card on file. For every 30 minutes past the agreed upon time frame, an additional \$25 fee will be charged.
- If needed, cancellation must be done 1 week prior before the scheduled start time, or you will be responsible for paying the Party Fee in full. In the event of unforeseen circumstances, the determination for rescheduling relies solely on the discretion of Dance Without Limits.
